Overview:

The purpose of the weekend combine is to provide meaningful training and educational opportunities to players wishing to excel at the collegiate level. Potential future student-athletes will get to perform in a college environment and utilize some training methods of Florida Tech. Our staff will emphasize the adjustments on the future demands of the game while overcoming the challenges of transitioning from club (high school) soccer to the collegiate level. The combine will be a great opportunity for players to be seen first-hand by many collegiate staff.

Fidgi Haig

B.A. in Business Administration, Florida Institute of Technology, 1992

Florida Tech will enter the 2011 season ranked No. 5 in Division II according to the National Soccer Coaches Association of America (NSCAA). Guided by Fidgi

Haig, the women's squad won their first SSC Regular-Season Championship, its first NCAA Division II South Region title and a spot among the nation's elite in the Final Four all in 2010.

Haig came to Florida Tech in 2005 after ending his stint as the women's head coach at Satellite High School in Satellite Beach, Fla., where his team was ranked #1 in the nation twice, in 2002 and 2004.

His Lady Scorpions were one of the most dominant teams in the state in the late '90s and early 2000s. Under Haig, Satellite High won seven conference championships, five district championships and had four trips to the state championship game, winning two of them in 2002 and 2003. After winning back-to-back state championships, he left Satellite in 2005 with an astonishing career record of 231-18-8 (.927 winning percentage). That same year, he was named Orlando Sentinel Girls Soccer Coach of the Year, Florida Today Girls Soccer Coach of the Year and the Florida Youth Soccer Association's (FYSA) Girls Coach of the Year. He also was named Space Coast Coach of the Year four times and the 2004 Florida Dairy Farmers Coach of the Year.

He won eight state club level girls championships in Indialantic and Space Coast ages 15–19. Currently Haig ranks as the fourth all-time winningest girls high school coach in the nation.

Dustin Smith

Dustin Smith is entering his second year as an assistant coach with the Florida Tech women's soccer team.

He graduated in 1994 from Melbourne High School where he captained the 1994 state champion Bulldogs to a 21-

1-2 record his senior year. Smith then continued his playing career in Charleston, S.C., from 1994–98 as a four-year starter at Charleston Southern University where he also earned a Bachelor of Arts in Business Administration. While playing for the Buccaneers, he captained the 1997 squad to a 16-5-1 record and earned the program's first-ever NCAA Tournament berth against the No. 2 nationally ranked South Carolina Gamecocks. Smith was voted to the Big South All-Conference Team in 1996 and 1997.

Following his collegiate career, Smith played two seasons with the USL's Myrtle Beach Sea Dawgs from 1998–99. He also served as an assistant coach at Coastal Carolina University from 1998–2000 under the tutelage of his former coach Shaun Docking.
